About IIM Rohtak

Indian Institute of Management Rohtak, established in 2009 by the Ministry of HRD, Government of India, is an institute of national importance as per the IIM Act 2017. IIM Rohtak is a benchmark for top management education in India with a vision to become a global leader in due course. The Institute has an enlightened and progressive leadership, acclaimed faculty members, robust teaching pedagogy and state of the art infrastructure. It continues to impart knowledge in the management domain with a unique cross-functional perspective to prepare future leaders who can manage and create powerful organisations. To realise the vision of the Institute, IIM Rohtak is providing world-class education in management not only through full-time and regular programmes but also through various long and short duration online programmes.

Located within the National Capital Region (NCR) of India, the permanent campus of IIM Rohtak is 90 minutes from Delhi international airport. The state-of-the-art campus spread over an area of 200 acres, is strategically located on National Highway - 10, and is well connected to Delhi.

IIM Rohtak received accreditation from the Association of MBAs (AMBA), one of the world's leading authorities on post-graduate business education, demonstrating its continuing commitment to excellence in management education. IIM Rohtak is ranked 12th as per NIRF Ranking 2023. Also the institute has been ranked 8 in the country on educational ranking. The institute offers a dynamic environment for high-quality research in all functional areas of management that will benefit various segments of the business and society. The extension campus of IIM Rohtak will start at Gurugram.

VISION

The vision of IIM Rohtak is to be a global leader in the creation and dissemination of management knowledge, and a global learning center, in due course of time.

MISSION

The primary mission of IIM Rohtak is to develop (corporate and non-corporate) managers with a sense of excellence, strong social commitment, and a passion for a value system. The broader institutional mission of IIM Rohtak is to create knowledge through quality publications and management education.

DIRECTOR'S MESSAGE

Ancient Indian theological, spiritual, mythological literature has provided the basis for several modern concepts of management. Many management practices that are rooted in the ancient Indian tradition, and still practiced today, has made the Indian economy one of the largest in the world. This is despite the challenges faced by the country having a large population and widespread illiteracy. The evidence of the success of those practices lies in the growth of Indian and multinational businesses in India. These management concepts, theories, practices, and models are taught, tested, applied, and examined in the Indian Institute of Management (IIMs).

IIMs continue to be the flag bearers of management education in India. IIM Rohtak is the eighth amongst the twenty IIMs set up by the Govt. of India. It is the only IIM located in National Capital Region (NCR), only an hour and half away from heart of New Delhi. With a GDP of \$370 billion (PPP basis), NCR is now ranking 30th globally in terms of size of economy of a region and is expected to be 11th globally by 2030 according to Oxford Economics forecast. There are several million managers in thousands of businesses, headquartered in the National Capital Region (NCR) that can provide an opportunity to the students of IIM Rohtak to get hands-on experience of working in the industry. I believe that primary drivers of NCR growth are juxtaposition to policy-making, availability of superior and growing infrastructure, and excellent education and research institutions. The permanent campus of IIM Rohtak, which is well connected to Delhi through excellent national highway and is just 90 minutes drive from Delhi International Airport, has further brought the entire IIM Rohtak community together to strengthen the institutional culture which will catapult us into the top five management institutes in the country.

In last few years, IIM Rohtak has introduced several new programs like Five Year Integrated Program in Management (IPM – BBA + MBA Degree), Five Year Integrated Programme in Law (IPL – BBA+ LLB Degree), 1 year Executive Post Graduate Program in Management (ePGPx), 2 Year Post Graduate Diploma in Sports Management (ePGDSM), and Executive Fellow Program in Management (EFPM). Several online executive Management Development Programs were started in last three years that have trained nearly 3000 executives from both private and public sector. Institute has also recently introduced full-time, which has received overwhelming response from the market.

IIM Rohtak received accreditation from the Association of MBAs (AMBA), one of the world's leading authorities on post-graduate business education, confirming itself in the top 2% of Business Schools Globally. With this, IIM Rohtak has become the fifth IIM to gain this accreditation. The institute is ranked 12th as per NIRF India Rankings 2023. The institute also ranked 8th among public management institutes in the country.

The institute is working diligently to synchronize management education with various segments of government body and businesses. We have undertaken various consulting projects like Ministry of Home Affairs, India Post, Food Corporation of India, Ministry of Tourism, Ministry of Consumer Affairs, Haryana Government, AMSB, and J&K Government, among others. Such collaborations provide students at IIM Rohtak excellent pre-placement exposure to real-world management problems and innovative solutions.

As such, IIM Rohtak has made a significant mark in the industry with historically best placement record. Institute is committed in bringing best diversity among its students. With this

commitment, the institute has been able to achieve a benchmark by attaining over 7:3 ratio of female: male students consecutively for three batches in a row. Further, improved academic diversity (over 40% of the students are non-engineers) and geographic diversity (participation from 25 states of India) is testimony to our commitment.

IIM Rohtak is reckoned in the academe as the top research institute in the country. All of our faculty members are committed to publishing their research in high-quality journals and other outlets. During 2023-24, over 64 papers have been published or presented in leading journals and conferences with nearly 50% of the papers being published in A, A*, and FT-50 category journals.

IIM Rohtak has positioned itself as an institute of Analytics. The current business environment demands transforming data into visual and interactive platform for tactical and strategic level decision making. Hence, inspired by latest management practices and industry expectations, we introduced new curriculum. Specifically, we introduced simulation-based learning using live data to augment decision making in our student. All our students are highly trained in sophisticated statistical software allowing them to analyze data to aid superior decision making. Also, all students are required to write or assist in writing cases, which help them learn to document, analyze, and decide on peculiar business matters and business dilemmas.

The institute signed a MoU with Tajik National University for academic collaborations. The institute also has academic and research collaboration, including joint research, faculty exchange, and student exchange programs, with multiple institutes. These include: Ulster University, UK; Oxford Centre for Hindu Studies, UK; Ryerson University, Canada; University of Bath, UK; Lancaster University, UK; Leeds Beckett University, UK; Zurich University, Switzerland; University do Porto, Portugal; British Columbia Institute, Canada; University of New Haven, USA; University of Helsinki, Finland; University of Alabama, CEIBS, Shanghai; UAE University, UAE; University of Missouri, USA; NYU - Abu Dhabi Campus, UAE; Tashkent Institute Branch, Plekhanov Russian University of Economics, Uzbekistan among others. The institute has also signed MoU for co-development of intellectual resources with various pivotal governmental agencies. These include: Headquarters Integrated Defence Staff (HQ IDS); India International Arbitration Centre; Ministry of Commerce and Industry; and Department of Commerce, Directorate General of Foreign Trade. At IIM Rohtak, we have also completed the curriculum overhaul of finance to comply with CFA Institute for University Affiliation Program requirements. This is an important step towards the augmenting student options in pursuing career in finance domain. These initiatives have helped IIM Rohtak students become well-rounded manager with a superior world view.

To realize the vision and aspirations of IIM Rohtak with respect to development of global management knowledge and resources, the wholehearted support of all of its stakeholders will be essential. Renowned corporate enterprises and the rest of India alike have been great patrons of Indian management institutes of excellence such as IIMs that provide intellectual resources to the industry. Therefore, it's natural for IIM Rohtak to look forward to your support and patronage. I know that the students of IIM Rohtak are knowledgeable, spirited, industrious, and ethical. Your contribution will help make IIM Rohtak a fountainhead of management practitioners.

Overall, I am committed to providing industry with excellent business managers and business leaders. I believe that IIM Rohtak stems from our ancient traditions offers to the industry business leaders and business managers who exhibit high work-ethics, high commitment, impervious focus, extraordinary decisiveness, strong persistence, and positive attitude. This thriving culture is ably supported by our faculty, staff, students and other members of IIM Rohtak community that not only results in increased productivity but also fosters camaraderie and institute spirit.

Prof. Dheeraj Sharma
Director, IIM Rohtak

Message from Co-Chairperson

Dear Industry Partners,

It gives me the utmost pleasure to welcome you to our final recruitment and summer internship processes for the 14th and 15th batches of our PGP course, respectively. IIM Rohtak has carved a niche in India's management education sector through its consistent record of producing capable and competent managers. An evidence of the institution's continuous growth is its consistent rise in NIRF rankings, from 29th position five years ago to 12th position nationally in 2023. The institution has an enviable record of ensuring 100 percent placement across the years, a milestone that could not have been reached without the unflinching support of you, our esteemed industry partners. Besides the capability of our students and the trust of our industry partners, the support and direction of our top management and the dedication and expertise of our faculty has also been essential in establishing and maintaining our track record in placements.

The pedagogical process of IIM Rohtak is multi-faceted and equips our students with the skills to navigate successfully in today's knowledge-based economy. Our case-based pedagogy simulates real-life business issues and acclimatizes our students to the process of decision-making. The student's understanding of current business issues is augmented by interactions with leading business personalities and experiences with actual business processes through live projects and summer internships. The institution's focus on analytics is instrumental in developing our students' felicity with understanding and application of data analysis tools. I am confident that our students will meet and surpass your expectations.

I would therefore welcome you again to our recruitment process and thank you for your continued support through the years.

Dr. Sanket Sunand Dash

Co-Chairperson Placements & Industry Relations

Message from Co-Chairperson

Dear Recruiter,

Greetings from IIM Rohtak!

I am pleased to invite you to the Placement season for the MBA program at IIM Rohtak. Our MBA program is recognized for its rigorous curriculum and competitive admissions process. The program consistently produces well-placed and influential alumni, earning the confidence of numerous recruiters. Our alumni have achieved significant success in their organizations.

IIM Rohtak is proud of the accomplishments of its alumni across various fields. Our faculty has been instrumental in shaping management thinking within their areas of expertise. The institute's systems and processes have evolved over time, gaining recognition and accreditation from prestigious agencies such as AMBA. Our students are among the best trained and remain open to continuous learning, eager to join the ranks of our successful alumni. The ongoing confidence that recruiters have in IIM Rohtak graduates is a key factor in these impressive outcomes.

We are committed to maintaining a system that effectively balances the interests of students, recruiters, and the institute. We invite you to observe these improvements firsthand. Your participation in the Final Placement Season for the MBA program at IIM Rohtak is highly valued and contributes to the continued success of our institution.

Warm regards,

Dr. Neeraj Singh

Post Graduate Programme in Management

The Post Graduate Programme is the flagship program of the institute, consisting of a meticulously designed two-year curriculum, with each academic year commencing in June and concluding in March, comprising six terms distributed over the span of two years. Throughout this duration, students engage in multiple programs including a rural immersion program during their first year and a summer internship programme at the culmination of their first year, which serves to emulate and equip them for the demands of the industry and give them an all rounded exposure.

Courses:

The Post Graduate Programme is founded upon the framework of credits, wherein each credit corresponds to 25 hours of contact sessions, necessitating a comprehensive course of 1 credit to encompass 25 hours of classroom discourse and engagement. The programme is meticulously crafted in a manner that fosters optimal synergy among the different courses and activities the students undergo during the 2 years. Its overarching objective is to cultivate within students the capacity for self-directed learning, acknowledging the pivotal role of continuous learning and acquiring conceptual as well as analytical abilities required for making and implementing managerial decisions effectively.

Curriculum:

IIM Rohtak perpetuates the robust program traditions established by the IIMs in India. As a result of the curriculum's focussed approach and contemporary structure, students complete their management education equipped with novel perspectives and enhanced managerial competencies. Over the span of two years, students explore various functional domains of management through their selection of elective courses and core disciplines. A glimpse into our curriculum offerings is provided in the listings below.

- Business Games & Decision Analysis
- International Logistics Management
- International Purchasing & Supply Management
- Service Operations Management

Integrated Programme in Management (IPM)

Five-Year Integrated Programme in Management (IPM) is for students after class XII who aim to pursue their career in Business Management. It is a comprehensive management program that has a combined course of management studies from undergraduate (UG) to postgraduate (PG). Programme aims at molding outstanding young students into managers and leaders.

Upon successfully completing academic rigor of 5 years, the participant will be awarded a Master of Business Administration (MBA) by IIM Rohtak. There is no automatic entry into the fourth and fifth years. With a strict focus on academic excellence the institute expects that the students will maintain a minimum CGPA of 5 to be eligible for the last two years of the program to earn a master's degree. Students below that CGPA will be awarded a BBA degree and will exit the program. Also, if any student voluntarily intends to exit the program after successfully completing the programme requirement at the end of 3 years, he/she will be awarded a degree of Bachelor of Business Administration (BBA).

Overall, the programme consists of 15 terms spread over a period of 5 years. A year has three terms, each of 3 months' duration. The entire programme is divided into two parts; the first part focuses on the foundation courses, whereas the second part focuses on management. For a greater experience, the students have to undergo through Social Internship, Academic Research (Immersive Project) and Business Internship at the end of respective years.

Integrated Programme in Law (IPL)

IIM Rohtak introduces Five-Year Integrated Programme in Law (IPL) for students after class XII. The interdisciplinary program aims at providing an in-depth knowledge of business management with intricate details of law and governance. On successful completion of the academic rigor of 5 years, the participant will be awarded with an Integrated Degree of BBA-LLB. There shall be no lateral entry on the plea of graduation in any subject or exit by way of awarding a degree splitting the integrated programme, at any intermediary stage of the programme.

The programme is affiliated and recognized by BCI (Bar Council of India).

Overall, the programme consists of 15 terms spread over a period of 5 years. A year has three terms, each of 3 months duration. The entire programme consists of courses in

Business Management and Legal Education. Students will be undergoing several internships during the course of the programme.

The programme will create an opportunity for the students to pursue legal education of global standards through a curriculum and pedagogy that best reflects the study of international law, comparative law, foreign law, and domestic law. Apart from these, students will also undergo courses in the domains of Business Management, International Affairs, Humanities, Public Policy, and Foreign Languages.

Doctoral Programme in Management (DPM)

Indian Institute of Management Rohtak is a premier institute of management education in India. The Doctoral Programme in Management (DPM) of the Indian Institute of Management Rohtak is a full-time doctoral programme (Ph.D.) offered in various disciplines. The programme aims at:

1. Developing high-quality researchers and teachers for academic institutions in India and abroad.
2. Producing top-quality management experts and thinkers for business organizations, government, and society in India and abroad.

The participants are given a monthly stipend, waiver of tuition fees, contingency grant to attend international/national conferences and support for research visits to global partner institutions.

IIM Rohtak aims at excelling in interdisciplinary research globally and is deeply committed to foster fundamental, applied, and policy-oriented research. It is open to work with partners from academia, industry and government in fulfilling its goal of excellence. The Institute is strategically located in the National Capital Region and has proximity to the industrial clusters and the policymakers. Doctoral Programme in Management (DPM) at IIM Rohtak strives to incorporate the strengths of similar programmes at other IIMs and eminent institutions and has included specific innovative features as per the emerging needs. The DPM programme is in line with the vision of the institute to be a global leader in the creation and dissemination of knowledge in management and to be India's future global learning center similar to the ancient Nalanda University.

Executive Post Graduate Diploma in Sports Management

IIM Rohtak has introduced a specialized program in Sports Management tailored for experienced professionals, sports graduates, and sports enthusiasts. This program is designed for motivated individuals interested in careers within the sports, entertainment, and related industries. The aim is to provide participants with exposure to the latest management practices specific to sports management and allied businesses.

Upon successful completion of the academic requirements of the two-year program, students will be awarded the "Executive Post Graduate Diploma in Sports Management." Additionally, all graduates will attain IIM Rohtak alumni status.

Graduates of this program will be well-equipped to understand the legal, regulatory, operational, financial, and branding aspects of the sports industry, both nationally and globally. We emphasize adapting to industry needs and strive rigorously to create pathways for sports enthusiasts to build successful careers in sports management. This comprehensive understanding enables graduates to address and solve industry challenges, carving a niche for themselves in the growing sports sector in India.

Management Development Programmes (MDPs)

A major academic objective of IIM Rohtak is to promote the professional development of practising managers through well-designed, active and delivered Management Development Programmes (MDPs). These are being designed as short-duration skill development programmes for business executives who cannot attend long-duration programmes because of their pressing professional requirements but need periodic updating of their managerial skills to succeed in an intensely competitive globalized world. They are meant for corporate executives and the personnel working in social and government organizations.

The MDPs offered by IIM Rohtak are classified as "Open programmes" and "Sponsored programmes". Open programmes are designed and offered by IIM faculty members based on their areas of specialization and are open for participation by the executives of any organization. Sponsored (In-company) programmes are designed and conducted to suit an organisation's specific needs at its request.

The disciplines covered by MDPs of IIM Rohtak are Marketing, Human Resource Management, Operations, Finance & Accounting, Information Management Systems, Strategic Management, General Management, Business Environment, Public Policy, Leadership, Cyber Security, Disaster Management, Governance, Artificial Intelligence, and Internet. All the MDPs of IIM Rohtak are delivered by its knowledgeable and experienced faculty with a proven executive education track record. All faculty members have expertise in their respective fields.

The Institute also conducted several short-duration online eMDP programmes. These are delivered through an interactive learning platform with live virtual sessions. These programs are designed for executive development without demanding the participants to take a break from work.

One Year Post Graduate Programme in Management for Executives (PGPx)

With the rapid growth of the Indian economy, the demand for trained managers and business decision-makers has increased significantly. Many executives have gained valuable experience over the years but lack formal management training. Similarly, numerous future leaders and CEOs seek to upgrade and re-engineer their management knowledge to enhance their effectiveness and efficiency. To address these needs, IIMR launched the One-Year Post Graduate Programme in Management for Executives (PGPx).

The PGPx is designed to offer experienced executives the opportunity to earn a formal management qualification from a premier institution in India, acquiring cutting-edge knowledge and skills. In 2024, we will welcome our 6th batch of participants.

The eligibility criteria for the PGPx require applicants to have at least three years of managerial, entrepreneurial, or professional experience, along with a Bachelor's or Postgraduate degree in any discipline, with an aggregate of 50% marks or an equivalent GPA.

To accommodate the busy schedules of executives, the course is divided into two modules: campus modules and online session modules. The program includes 15 days of campus immersion (five days per term) and online sessions scheduled thrice a week.

Infrastructure/Facilities

The state-of-the-art campus is situated at the well-connected Delhi-Hisar National Highway, in a sprawling area of 200 acres. It has been constructed with world-class facilities of classrooms, seminar hall, open auditorium, student activity centre, etc., to facilitate and nurture an environment for the best student learning outcome. The entire campus is Wi-Fi enabled to provide unlimited internet access to students. Adequate healthcare facility, transport facility, convenience store, open gym etc., are provided to the students, faculty, and staff. The institute has well established Knowledge Resource Centre, IT Resource Centre, Video Conferencing Facility, and Studios for Executive Education courses and Webinar Sessions.

IT Resources Centre (ITRC)

Computing facilities at IIM Rohtak uses the latest computers to provide support for diverse computing requirements, access to databases & archives for rapid retrieval of relevant information, updating and disseminating academic and research material.

TEDx IIM Rohtak

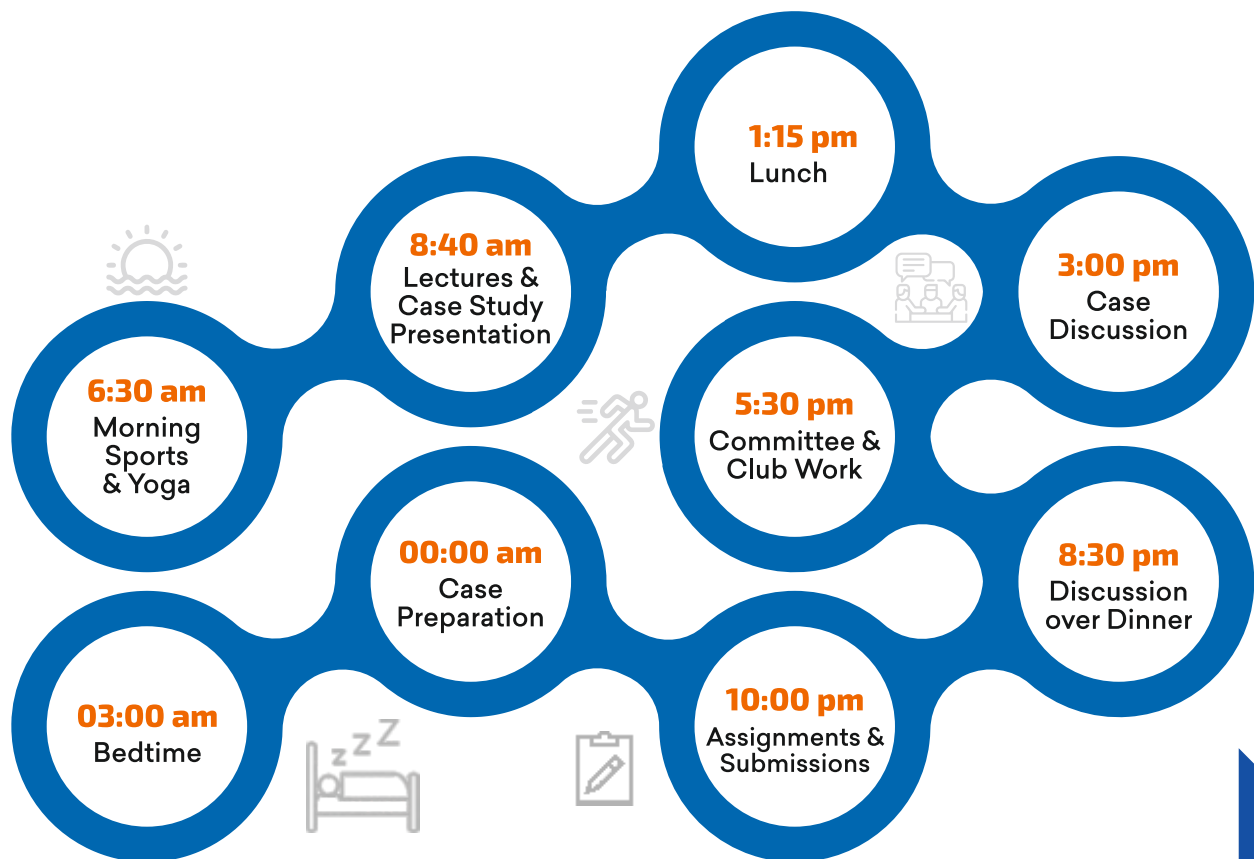

Infusion' 24

Life at IIM Rohtak

"And once the storm is over, you won't remember how you made it through, how you managed to survive. You won't even be sure whether the storm is really over. But one thing is certain. When you come out of the storm, you won't be the same person who walked in. That's what this storm's all about."

Life at IIM Rohtak is worthwhile, full of daytime splendor and nighttime glimmer. Here, the day begins with the rising sun casting a rosy hue across the sky, bringing joy and positivity to campus. The institute's life looks tranquil and quaint to the outsider but is constantly pulsating with the hustle and bustle of students. The nights are spellbindingly enlightened with the awe and aura of diligent and conscientious students.

Here is a sneak peek into a day of PGP14 and PGP15 batches students who seems to be making the most of this transitory campus life. These are some moments captured of the campus that never sleeps, providing a glimpse of what a day in the Kathor life looks like.

Major Events - 2022-23

PGP13 Convocation Ceremony (30th March, 2024)

At the recent convocation ceremony of Indian Institute of Management Rohtak, the PGP 13 cohort gathered to celebrate their graduation. The event was graced by notable figures, including Hon'ble Chief Justice Mr. Rajesh Bindal, Judge, Supreme Court of India, as the Chief Guest, and Lord Baron Bilimoria, CBE, Member of House of Lords, UK, as the Guest of Honour.

During the ceremony, Chief Justice Mr. Rajesh Bindal encouraged the graduating students to utilize their managerial skills effectively in their future endeavours. He emphasized the importance of contributing positively to their respective organizations.

Professor Dheeraj Sharma, Director of IIM Rohtak, expressed satisfaction with the institution's achievements in the past year. He highlighted the institution's strong research output, including several publications in esteemed international journals.

PGPI4 Induction (1st- 2nd July 2023)

Indian Institute of Management Rohtak

inducted the 14th batch of the postgraduate programme. The orientation programme was held over two days from 1st to 2nd July 2023. The recent batch had the privilege of being inaugurated in the esteemed presence of distinguished speakers, including Mr. Kamal Kishore, member secretary of the National Disaster Management Authority; Mr. Sameer, an international lyricist and Guinness World Record holder, and Lt. Gen. Syed Ata Hasnain, recipient of multiple awards including PVSM, UVSM, UYSM, AVSM, SM, and VSM. The first day of the orientation programme focused on the role of management and corporate social responsibility. The second day followed the theme- "Understanding Consumption Behaviour in Achieving a \$5 Trillion Economy". IIM Rohtak has continued its legacy and focus on maintaining a remarkable gender and academic diversity among students, with 78% female students and students from 24 states.

IPM05 and IPL03 Induction (5th August 2023)

Indian Institute of Management Rohtak inducted the new batches of the Five Year Integrated Programme in Management (IPM - BBA + MBA) and Integrated Programme in Law (IPL - BBA + LLB). The induction and orientation programme was held on 5th August 2023. The Hon'ble Chief Guest, Dr. Satya Pal Singh, Hon'ble Member of Parliament and Hon'ble Guest of Honour Shri Montek Singh Ahluwalia, Former Deputy Chairman, Planning Commission of India, adorned the induction ceremony along with Prof. Dheeraj Sharma, Director, IIM Rohtak.

Management Events (16th September and 21st October 2023)

IIM Rohtak organized two management events this year on 16th September and 21st October 2023. The first event was the Management Summit. The event hosted four panels mainly on the topics, Digital Reinvention: The Advent of New Technologies, Unlocking ROI: Hiring and Training Current Employees for the Future, HR 4.0: Navigating the Future of Work and Redefining Consumer Experience: Hyper-Personalization and Data-Driven Marketing. The second event was termed as Management Conclave and included four-panel discussions. The topics of the panel were Nurturing Talent: Building a Strategic Employee Development Ecosystem, Financial Synergy: Navigating the Evolving Landscape of ESG Reporting, Navigating Startup Success through Resilient Leadership and Sustainable Strategies, and Sustainable Marketing: Catering to Conscious Consumer Preferences. Prof. Dheeraj Sharma, Director of IIM Rohtak, addressed the students at the events with his enlightening words. Each event was attended by more than 50 leaders and CXOs from prominent business conglomerates and multinational corporations.

Sanitation Drive “Swachhta Pakhwada” (19th and 23rd September 2023)

IIM Rohtak organized a sanitation drive, “Swachhta Pakhwada” with the active participation of 200 female students along with the chairpersons of student affairs and institute staff members on 19th September 2023 to clean the streets of Rohtak. On 23rd September 2023, the students came together to clean the campus as part of the Swachhta Pakhwada. Prof. Dheeraj Sharma, Director, IIM Rohtak, addressed the students following the drive, highlighting the importance of cleanliness.

15th Foundation Day (16th November 2023)

Indian Institute of Management Rohtak celebrated its 15th Foundation Day on November 16, 2023. Shri Sanjeev Kausal, IAS, Chief Secretary, Haryana, graced the occasion as the Chief Guest, and Brig Dr. Arvind Lal, Padma Shri, Chairman & MD, Dr. Lal Path Labs present on the occasion as a Guest of Honor. The institution has earned a noteworthy global ranking of 151+ in the QS-World University Rankings 2024 and secured the 12th position in the management category in the NIRF India Rankings 2023.

TedXIIMRohtak (25th November 2023)

The institute hosted the 8th edition of TedX IIM Rohtak on 25th November 2023 around

the theme of Comeback Chronicles. Visionaries from various parts of the country spoke at the event and shared their experiences of overcoming failure. The event celebrated resilience, learning from failures, and accepting differences.

Guest Lecture by Shri Sanjeev Sanyal (20th December 2023)

On 20th December 2023, Shri Sanjeev Sanyal, the Economic Advisory to the PMO of India, graced the students with a guest lecture on narratives of various international indices and helped change the student's perspective on the topic.

Aluminati (21st January 2024)

IIM Rohtak held its annual Alumni Meet Aluminati on the 21st of January 2024. Aluminati is IIM Rohtak's annual homecoming event, during which the institution invites its alumni to reunite and form strong, lasting ties after they graduate. Around 150 alumni returned to school to remember and relive their wonderful memories while witnessing the institution's developments. The alumni engaged with students and professors, sharing their ideas, experiences, and wisdom. Aluminati ended with the evergreen Jasbir Jassi performing live and mesmerizing the audience to create a memorable event.

India's Techade: Chips for Viksit Bharat Seminar/Conference (13th March 2024)

Approx 300 students participated in 'India's Techade: Chips for Viksit Bharat' at IIM Rohtak. The programme saw Hon'ble Prime Minister Shri Narendra Modi laying down the foundation stone on 13th March 2024 of the three Semiconductor facilities in Dholera (Gujarat), Sanand (Gujarat) and Morigaon (Assam). He iterated that India is a leading global power in the space, nuclear and digital sectors and will soon become a leader in the field of semiconductors. Live presentations by students from IPM and IPL were conducted during the programme. They aimed to spread awareness and highlight areas of concern regarding this momentous development.

Industry Relations and Interaction Cell

IRIC actively works towards bridging the gap between academia and industry while forging lasting relationships with stalwarts from the corporate world. Through the Corporate Connect Program, which constitutes Guest Lectures, Summits, Conclave, and Live Projects, IRIC gives students a platform to interact with distinguished companies and professionals and learn from their experiences.

In 2023, IRIC conducted 1 HR Summit, 1 Management Summit, and 1 Management Conclave, with 12 panels across varied fields and over 55 distinguished panelists from renowned companies to facilitate discussion and disseminate insights on emerging trends in various industries.

IRIC has also conducted over 30 Guest Lectures, giving students opportunities to gain practical insights into everyday managerial decisions across functions and industries, preparing them better

for these roles and enhancing academic learnings and their applications in the business world.

Through Live Projects, virtual internship opportunities are floated to the students to work from the campus part-time. Live Projects focused on applying theoretical knowledge on real-life problems to refine their skill sets. IRIC brought live projects in multiple domains of management. Some prominent companies were Kauffman Rossin, Kalagato, Investmates, Kaizen Partners, 9HEAVEN, Momentum Robotics etc.

In addition, IRIC also undertakes external engagements for the skill enhancement of students while showcasing & strengthening corporate engagements through case competitions. Further, IRIC conducted 2 workshops in the year 2023 namely, NCDEX with 125 students, and Grant Thornton workshop with 19 students. These workshops enhanced skill development, and provided the students with exposure to new ideas and perspectives.
